

AFFIDAVIT OF LORY TESTASECCA

I, Lory Testasecca, under penalty of perjury, declare and state:

1. I am fifty (50) years old and was born on December 15, 1961.
2. The statements contained in this affidavit are based on my personal knowledge and are true and accurate.
3. I am providing this affidavit to the United States Anti-Doping Agency (USADA) as part of my voluntary cooperation with USADA and as a part of USADA's investigation of doping in the sport of cycling.
4. I understand that this affidavit will be submitted in legal proceedings, including arbitrations, in which USADA is presently involved or may become involved, and in connection with cases that USADA has brought, or may bring, in connection with doping in the sport of cycling.
5. USADA has full authority to use this affidavit as appropriate in connection with its anti-doping responsibilities under the Code, including use in any legal proceedings or in connection with any decision or announcement of sanctions or violations issued by USADA.
6. The testimony and statements provided in this affidavit were provided directly to USADA and have not previously been provided to the Union Cycliste Internationale or USA Cycling.
7. I have known Betsy Andreu for about twenty (20) years. I was first introduced to her in 1992 by a friend who was working with her as a volunteer on a political campaign.

8. I met Frankie a few years after meeting Betsy at a gathering that took place at the home of Betsy's parents. I got to know Frankie better when Betsy and I travelled to Nice, France, and the Milan-San Remo to watch him compete in cycling races.

9. In October or November of 1996, I went to coffee with Betsy in Ann Arbor, Michigan. Betsy seemed upset but was initially reluctant to tell me what was bothering her. I kept pushing Betsy to tell me what was wrong and she eventually relented.

10. Betsy explained to me that she and Frankie had recently traveled to Indianapolis to visit one of Frankie's teammates, Lance Armstrong, who was in the hospital for cancer treatments. I had never met Lance and did not know anything about him at the time other than that he was Frankie's teammate.

11. Betsy told me that during one of their visits to the hospital, a doctor entered Lance's room and began to ask Lance questions. Betsy told me that she and Frankie offered to leave so that Lance could have some privacy but ended up remaining in the room after Lance told them that they could stay. Betsy said that one of the questions that the doctor asked had to do with Lance's prior drug use and that Lance responded by admitted to using banned performance enhancing drugs during his cycling career.

12. Betsy told me that she was upset with Frankie because Lance was his teammate and she did not know whether Frankie was doing the same things as Lance. Betsy was totally against drug use and told me she was worried that any drug use by Frankie might affect their ability to have children in the future. It was my understanding that Betsy was ready to call off

the wedding if it turned out that Frankie had used or was using banned performance enhancing drugs.

13. Betsy told me that Frankie denied using any performance enhancing drugs but she admitted that she had concerns about whether he was telling her the truth. I told Betsy that I did not think Frankie was the type of person who would get involved with drugs and that she should not worry about what his teammates were doing.

14. After our talk, Betsy still seemed a bit uncertain about whether to go through with the wedding. Over time, however, Frankie was able to convince her that he had never used and had no intention of ever using performance enhancing drugs and they got married as planned at the end of the year.

15. Betsy and I have only talked about the hospital room incident a handful of times over the past sixteen (16) years, but her account of what happened that day has never changed.

16. This affidavit is not an exhaustive summary of my testimony; however, it fairly and accurately sets forth information within my personal knowledge.

I swear or affirm that the foregoing statements are true to the best of my knowledge, information and belief.

Dated this 23 day of Sept., 2012.
