

GUVERNUL ROMÂNIEI

AGENȚIA NAȚIONALĂ ANTI-DOPING

DECISION

No. 2/15.06.2015

Issued by

National Anti-Doping Agency, in the case of the athlete **Andra Maria LUNGU**,
Affiliated with Bronx Power Lifting Bacau Sport Club and Cluj Napoca Municipal
Sport Club

The National Anti-Doping Agency, named hereinafter the “Agency”, with the official seat in Bucharest, 37-39 Basarabia Boulevard, District 2, in compliance with the provisions of article 32² of Law no. 227/2006 regarding prevention and fight against doping in sport, republished with subsequent amendments and additions, while reviewing the athlete Andra Maria LUNGU’s case, affiliated with Bronx Power Lifting Bacau Sport Club and Cluj Napoca Municipal Sport Club, having the domicile in Letea Veche, 353 Holt Village, Bacau County, holds the following:

Following the out of competition doping control, conducted on 11.05.2015, the analytical result of the athlete Andra Maria LUNGU’s sample, with the code number 6148635A indicated the presence of the prohibited substance **furosemide**, included in Section S5 – Diuretics and Masking Agents.

Through notification no.394/03.06.2015 the athlete Andra Maria LUNGU and through notification no. 395/03.06.2015 the Romanian Judo Federation, the Romanian Olympic and Sport Committee, Bronx Power Lifting Bacau Sport Club, Cluj Napoca Municipal Sport Club, the Ministry of Youth and Sport, the International Judo Federation were notified by the Agency on the followings:

- **The athlete's right to request in writing, within 48 hours from being notified, the B sample analysis** pursuant to article 28 of Law no. 227/2006 regarding prevention and fight against doping in sport, republished with subsequent amendments and additions.
- **The prompt admission of the anti-doping rules violation, after the Agency communicated the notification** regarding the alleged anti-doping rules violation and the athlete did not deny the assertion, being bound to send the Agency a written statement within ten (10) days from receiving the notification.
- **The athlete's right to wave the hearing, expressly, by a written statement sent to the Agency, within ten (10) days from receiving the notification, through which he should present his point of view regarding the alleged anti-doping rules violation.**
- **Where the athlete provides substantial assistance in the discovery and/or bringing forward of an anti-doping rules violation** set forth in article 2, paragraph (2) of Law no. 227/2006 regarding prevention and fight against doping in sport, republished with subsequent amendments and additions, committed by another person, the ineligibility period can be suspended up to $\frac{3}{4}$ of the otherwise applicable, with the approval of WADA and the relevant international sport federation may be suspended.

The athlete did not answer to the notification sent by ANAD, although he received it on 04.06.2015. The deadline of his answer was 15.06.2015.

While deliberating over the case, the Agency holds the following:

Pursuant to the provisions of article 2, paragraph 2, letter a) of Law no. 227/2006 regarding the prevention and fight against doping in sport, republished with subsequent amendments and additions, the presence of a prohibited substance or its metabolites or markers in an athlete's biological sample, as well as the use or

attempted use by an athlete of a prohibited substance or a prohibited method represents anti-doping rules violation.

According to the strict liability principle, the athlete or any other person are bound to be knowledgeable of what represents an anti-doping rules violation, as well as the substances and methods included in the Prohibited List.

It is each athlete's personal duty to ensure that no prohibited substance enters his or her body. Athletes are responsible for any prohibited substance or its metabolites or markers found to be present in their samples. Accordingly, it is not necessary that intent, fault, negligence or knowing use on the athlete's part be demonstrated in order to establish an anti-doping rule violation pursuant to article 2, paragraph (2), letter a) of the above-mentioned law, as well as to the article 2.1 of the World Anti-Doping Code.

The proof of an anti-doping rule violation is represented by one of the following situations: the presence of a prohibited substance or its metabolites or markers in an athlete's A sample, when the athlete does not request the B sample analysis, or when the B sample analysis confirms the presence of a prohibited substance or its metabolites or markers found in the athlete's A sample.

The Agency, by reviewing the documents within the file, the bulletin of analysis no. 448/29.05.2015, issued by the Doping Control Laboratory in Bucharest, taking into account the nature of prohibited substance detected in the biological sample, furosemide, is a specified substance, as well as the relevant national and international legal provisions:
