### **The Anti-Doping Rule Violation**

5. You have committed and are guilty of the Anti-Doping Rule Violation referred to above. In other words of the Anti-Doping Rule Violation set out in point 2.

### **Consequences**

6. The Consequences that the Rules contemplate distinguish between Prohibited Substances that are Specified Substances and those that are not. The Consequences for the use of Prohibited Substances that are not Specified will in most instances include a four (4) year period of ineligibility. Where a substance is Specified the athlete can also be ineligible for such a period if SAIDS demonstrates that the Anti-Doping Rule Violation was intentional.
7. Where SAIDS does not demonstrate intentional use then the period of ineligibility under the Rules provided for is two (2) years. The period of two (2) years can be reduced in certain specified circumstances which require you to show that you bore no significant fault or negligence here.
8. In these circumstances the appropriate Consequences without any reduction is a period of *Ineligibility* of two (2) Years for prohibited substances that are Specified Substances. Taking into consideration your case and the facts before SAIDS, you were notified by SAIDS of your Adverse Analytical Finding on the 13<sup>th</sup> of August 2019 in which you provided SAIDS with a statement *via* email in which you set all your assertions, dated 22 August 2019.

9. In the aforementioned correspondence you have, *inter alia*, confirmed the following:
- 9.1 That you do not dispute the findings and set out your assertions for the said findings and pleaded for a lesser sanction;
  - 9.2 That you were able to provide SAIDS with the source that returned an AAF on the medication that you have provided on your Doping Control Form;
  - 9.3 That you were able to provide SAIDS with your reasons (i.e. for severe flu and weight problems) for taking the prohibited substance;
10. As a result, taking into account all the factors you have provided herein, SAIDS is able to assess the degree of fault or the seriousness of your violation.
11. In this respect, you have demonstrated to SAIDS that in terms of Art. 10.2.2 and 10.5.1.1 that you did not have any intention to cheat and as such, you are eligible for a reduction and your total period of ineligibility will be six (6) months.
12. You were not provisionally suspended, therefore your period of suspension would be effective as from the date you provided your full statement with admission and supporting documentation, being 22 August 2019.
