Factual Background:

1. A urine sample (“Sample”) of the athlete, Mr. Mohd Arshlan (“**Athlete**”) was collected during 71st Inter Service Athletics Championship 2022 at Bengaluru, Karnataka by the Doping Control Officer of NADA on 09th September 2022. As per procedure, the Sample was split into two separate bottles, hereinafter referred to as Sample A and Sample B with unique Code “**6492759**”.
2. A Sample of the Athlete was tested at the National Dope Testing Laboratory, Delhi in accordance with the procedures set out in WADA’s International Standard for Laboratories and was returned with an Adverse Analytical Finding **S1.1 Anabolic Androgenic Steroids (AAS)/Metandienone & Stanozolol** The WADA’s 2023 Prohibited List Metandienone & Stanozolol under the category S1 being a non-specified substance.
3. Subsequently, the Athlete was duly notified by a letter dated 21.10.2022 (“**the Notification**”) wherein he was notified that he has been charge for violation of Rule Article 2.1 & 2.2 of ADR. The Athlete was provisionally suspended on 21.10.2022 in accordance with the mandatory provision under Article 7.9.1 of the Rules as the prohibited substance is non-specified. In the aforesaid letter, the Athlete was also informed of his right to have his B sample specimen tested and the right to an impartial hearing by the Independent Anti-Doping Disciplinary Panel.
4. In response to the notification, the Athlete waived of his right to ‘B’ sample analysis. The Notice of Charge under the National Anti-Doping Rules, 2021 was issued to the Athlete on 02.12.2022. In response to the notice the athlete has not files written submission on record for the consideration of this Panel.

Submissions of the Athlete

5. During oral arguments, the Athlete has admitted to having taken an injection for strength/energy, as per the advice given to him by his senior.

Submissions of NADA

6. NADA submits that under Article 2.1.1 of the Rules, it is the personal duty of each Athlete to ensure that no Prohibited Substance enters his/her body. Accordingly, it is not necessary that intent, fault, negligence or knowing use on the part of the Athlete is to be demonstrated so as to establish a case of anti-doping rule violation under Article 2.1. In the said background, it is submitted by NADA that the Athlete has failed to

furnish any explanation as to how the prohibited substance came to be found in the Sample.

7. NADA submits that the Athlete has knowingly consumed the doping substance, at the behest of another athlete, for purposes of enhancing his performance by prohibited means.

Observations and Findings of the Panel

After hearing the parties at length and having considered all documentary and having considered the written / oral submissions the Panel observes as under:

8. As per Article 2.1 of the Anti-Doping Rules 2022, it is the personal duty of every athlete to ensure that no prohibited substance, as defined, enters his or her body. Reference may also be made to Article 2.1.2 which provides that presence of a prohibited substance or its metabolites is sufficient proof of anti-doping rule violation.
9. Where a sample testing returns a positive finding, onus is on the athlete to explain how the substance entered his/her body. Fault, negligence or knowing use are not relevant considerations that are needed to be proved while making a case for anti-doping violation. The liability cast on the athlete is thus strict.
10. The Panel hold that the Athlete has committed an anti-doping rule violation. Once a violation of anti-doping rules has been established, Sanctions on Individuals as provided under Article 10 of the Anti-Doping Rules 2021 must ensue. The present case involves a non-specified substance, hence the Athlete is liable for sanctions under Article 10.2.1.1, an ineligibility for a period of 4 years.
11. **The Panel holds that the Athlete is liable for sanctions under Article 10.2.1.1 for an ineligibility for a period of 4 years. The period of his ineligibility for the period of 4 years shall commence from the date of provisional suspension, i.e., 21.10.2022.**
12. **We also direct that under Article 10.10 all other competitive results obtained by the athlete from the date of sample collection i.e., 09.09.2022 shall be disqualified with all resulting consequences including forfeiture of medals, points, and prizes.**
