

Decision of the FIFA Disciplinary Committee

passed on 9 February 2023

DECISION BY:

Jorge Ivan Palacio (Colombia), Chairperson

ON THE CASE OF:

Mahmud Mammadov

(Decision FDD-13987)

Regarding the decision passed by the Azerbaijan National Anti-Doping
Disciplinary Committee on 23 December 2023

Art. 66 of the FIFA Disciplinary Code (ed. 2019)

I. FACTS OF THE CASE

1. The following summary of the facts does not purport to include every single contention put forth by the actors at these proceedings. However, the Chairperson of the FIFA Disciplinary Committee (**the Committee**) has thoroughly considered any and all evidence submitted, even if no specific or detailed reference is made to particular elements of the former.
2. On 23 December 2022, the Azerbaijan National Anti-Doping Disciplinary Committee (**Azerbaijan NADDC**) rendered a decision by means of which it *inter alia* imposed a period of ineligibility of two (2) years on the player Mahmud Mammadov (**the Player**) on grounds of doping (**the Decision**).
3. On 17 January 2023, the Association of Football Federations of Azerbaijan (**AFFA**) provided FIFA with the Decision, as well as an English translation thereof, along with other documents, including *inter alia*:
 - i) a copy of “*the letter of notification*” sent by the Azerbaijan National Anti-Doping Agency (**AMADA**) to the Player on 28 June 2022, informing the latter of his Adverse Analytical Finding;
 - ii) a copy of “*the notice of Charge*” sent by AMADA to the Player on 7 July 2022;
 - iii) a copy of the email sent to the Player on 29 December 2022 containing the Decision dated 23 December 2022.

II. CONSIDERATIONS OF THE DISCIPLINARY COMMITTEE

4. First of all, the Committee recalled that, in accordance with art. 53 (2) of the FIFA Statutes, it may pronounce the sanctions described in these Statutes and the FIFA Disciplinary Code (**FDC**) on members associations, clubs, officials, players, intermediaries and licensed match agents.
5. In regard to serious infringements, in particular but not limited to discrimination, the manipulation of football matches and competitions, misconduct against match officials or forgery and falsification, the member associations, confederations and other organising sports bodies shall request FIFA to extend the sanction they have imposed so as to have worldwide effect (art. 66 (1) FDC).
6. In continuation and consistently with art. 66 (2) FDC, any doping-related legally binding sanction imposed by another national or international sports association, national anti-doping organisation or any other state body that complies with fundamental legal principles shall automatically be adopted by FIFA and, provided that the requirements described under art. 66 FDC and in (now) article 73 of the FIFA Anti-Doping Regulations (**FIFA ADR**) are met, shall be automatically recognised by all confederations and associations.
7. In conformity with art. 54 (1) (e) FDC, the Chairperson of the FIFA Disciplinary Committee is authorised, in his capacity as a single judge, to rule on the extension of a sanction pronounced by an association to have worldwide effect.

8. According to art. 66 (6) of the FDC, the Chairperson of the FIFA Disciplinary Committee takes his decision regarding the extension of a sanction to have worldwide effect, in principle, without deliberations or hearing any of the parties, and using only the file.
9. In this context, the Committee emphasised that, pursuant to art. 66 (5) FDC, the worldwide extension of a sanction will be approved if:
 - i. the person sanctioned has been cited properly (lit. a);
 - ii. the person has had the opportunity to state his case – with the exception of provisional measures – (lit. b);
 - iii. the decision has been communicated properly (lit. c);
 - iv. the decision complies with the regulations of FIFA (lit. d);
 - v. extending the sanction does not conflict with public order or with accepted standards of behaviour (lit. e).
10. With the above in mind, upon analysing the Decision, the Committee highlighted that it relates to an Anti-Doping rule violation and that it could therefore be extended to have worldwide effect.
11. After examining the entirety of the evidence at its disposal in relation to the present matter, the Committee noted that the conditions for worldwide extension as stipulated under art. 66 (5) FDC, have been met. In particular, the Committee emphasised that it appears to be clear from the documentation provided by AFFA that:
 - i. the Player has been cited properly, as demonstrated by the “*letter of notification*” and “*letter of Charge*” dated 28 June and 7 July 2022 respectively.
 - ii. the Player had the opportunity to state his case, in so far that he had the opportunity to provide a written submission to the Azerbaijan NADDC and had the possibility to attend a hearing held on 24 September 2022¹.
 - iii. the Decision was communicated properly to the Player, as demonstrated by the email submitted by AFFA.
 - iv. the Decision complies with the relevant FIFA regulations and does not conflict with public order or with accepted standards of behaviour.
12. Consequently, the Committee decided to extend the sanction imposed on the Player by the Azerbaijan NADDC on 23 December 2022. More specifically, the Player is sanctioned

¹ Cf. paragraph 24 of the Decision, according to which “on 24 September 2022, a closed hearing on the case was conducted (...) with the participation of the parties to the case”.

worldwide with a two (2) years suspension from all football-related activities in accordance with the Decision.

13. Finally, and pursuant to art. 66 (11) FDC, should the Decision not yet be final in a legal sense, the present decision shall follow the (final) outcome of the Decision.

III. DECISION OF THE DISCIPLINARY COMMITTEE

1. **The request to extend the decision passed by the Azerbaijan National Anti-Doping Disciplinary Committee on 23 December 2022 to have worldwide effect is granted.**
2. **The player Mr. Mahmud Mammadov is sanctioned worldwide with a two (2) years suspension from all football-related activities as from 28 June 2022 until 28 June 2024.**
